

Labelstar Office Version 7 Upgrade

Important information
before the download!

Dear customer,

If you upgrade from version 6.x or older to the new release of Labelstar Office, you need new license keys. Please obtain the new license keys before installing the new release. To obtain a new license key, you need your existing license key.

Carl Valentin Team

You can reinstall Labelstar Office or upgrade from a previous version to version 7. Please note that you need new licence numbers for Labelstar Office version 7. From Labelstar Office Version 7 upwards, CDs will no longer be sent. Your licence number will be stated on the invoice.

You can download the current version at labelstar.carl-valentin.de
